

Got **questions** about Déljñę Self-Government?  
Heard rumours you want to **check out?**

What powers will Déljñę get? How will the new government be organized?

Who will pay for the government? Will it be enough?

Will I be able to deal with the new government in my language?

Will there still be a Charter Community?

Is Déljñę ready for Self-Government?

Does it change our treaty or our land claim?

There will be a vote on the  
Final Self-Government  
Agreement in **March 2014.**

It's time to **get the facts!**
