Re: **Invitation: Charter Community of Deline (CCD) Transition Planning Workshop**

Attached is an invitation to the DLC Transition Planning workshop on January 21th, 2016. The purpose is to make a plan and to do list for how the DLC will transition to self-government. The DFN did a similar workshop in December; we hope to be able to share their results with you as an example of what we hope to achieve.

We hope that you, your staff and members of your council will be able to attend.

Please advise **Patricia Modeste via email at patricia_modeste@gov.deline.ca if you have any questions.**

Hope to see you there!

Mahsi Cho,

Danny Gaudet
Chief Negotiator, Self-Government Office

Workshop – January 21, 2016

DLC Boardroom

9am-5pm

CCD Transition Planning Workshop

Members of the Délİne Self Government Team will be hosting workshop for CCD staff and council to discuss the transition to self-government and create a “road map” and task list for effective transition of CCD roles and responsibilities to the Délİne Got’İne Government. The same workshop has been held with DFN and DLC.

Objectives of the workshop are to:

- ✓ Orient and update on the overall transition plan for the community and an opportunity to discuss the role of the CCD in that transition.
- ✓ Develop a strategic plan focussed on the CCD’s vision, goals and principles for the transition. This will include developing a plan for how the Charter Community will prepare for, execute and monitor the transition.
- ✓ Review current CCD roles and responsibilities, identify how each will transition to the DGG, and establish a transition plan for each, including identifying training and capacity building requirements.

Please email Patricia Modeste at patricia_modeste@gov.deline.ca if you have questions or would like to receive workshop materials prior to the meeting.
