Re: **Invitation to DLC Transition Planning Workshop**

Attached is an invitation to the DLC Transition Planning workshop on January 25th, 2016. The purpose is to make a plan and to do list for how the DLC will transition to self-government. The DFN did a similar workshop in December; we hope to be able to share their results with you as an example of what we hope to achieve.

Please confirm which of your staff and members of your council will be able to attend.

Please advise **Patricia Modeste via email at patricia_modeste@gov.deline.ca if you have any questions.**

Hope to see you there!

Mahsi Cho,

Danny Gaudet
Chief Negotiator, Self-Government Office

DLC Transition Planning Workshop

Members of the DéliñĒ Self Government Team will be hosting a workshop for DLC staff and council to discuss the DLC transition and create a “roadmap” and task list for transitioning DLC roles and responsibilities to the DéliñĒ Got’ĭñĒ Government.

The same workshop has been held with DFN and will be held with CCD.

Objectives of the workshop are to:

- ✓ Orient and update on the overall transition plan for the community and an opportunity to discuss the role of the DLC in that transition.
- ✓ Develop a strategic plan focussed on the DLC’s vision, goals and principles for the transition. This will include developing a plan for how the Land Corporation will prepare for, execute and monitor the transition.
- ✓ Review current DLC roles and responsibilities, identify how each will transition to the DGG, and establish a transition plan for each, including identifying training and capacity building requirements.

Please email Patricia Modeste at patricia_modeste@gov.deline.ca if you have questions or would like to receive workshop materials prior to the meeting.
