

4 PILLARS COMMUNITY ENGAGEMENT

Déljné Got'jné
Government
Our People. Our Future. Our Déljné.

Déljné is getting money from a multi-nation lawsuit with Canada to help deal with the harm done to the **whole community** from residential schools.

The purpose is to help the community in reviving and protecting these four areas:

- Language
- Culture
- Heritage, and
- Community wellness

These are called the “4 Pillars”.

The DGG needs your help to plan! With the help of a charity called the First Nations Education Foundation (FNEF), we'll be hosting engagement sessions from **October 4th to October 9th , 2024** to start planning on how to use this money.

There will be food and door prizes available!

The schedule for the engagement sessions is:

- Community Feast and Introductions on the evening of October 4th (door prizes)
- School visit on October 7th
- Elders on October 8th (men in the morning, women in the afternoon) (honouraria and snacks provided)
- Home visits to young families on October 5th, 6th, 8th (evening) and 9th (gift cards provided)

Follow us at www.deline.ca for the latest information.
